

high infidelity

What makes someone start an affair? And what's the fallout? We speak to a mistress and a wife.

What do Angelina Jolie, Claire Danes and LeAnn Rimes have in common?

They've all been rumoured to be the "other woman", providing on-the-side action for seemingly happy, married or attached men. Widely publicised, the outcomes of their alleged affairs were similar, with all three nabbing their taken men for themselves - at least for now. But while celebrity mistresses are often known as sexy seductresses, in reality, it can be a very messy affair.
